

/MOMENT OF TRUTH

People have always tried to define you by your lineage. As if from the moment you were born, you were meant to be some villain to be defeated. But...they're right, aren't they? That darkness is in you. So right here, right now, you're not fighting it—you're embracing it. Both hero and villain, and greater besides. You're overcoming impossible odds in ways no hero would approve of, and no villain could comprehend. Of course, after seeing what you can really do when you embrace the whole of yourself, the rest of the world isn't going to forget who you really are...

/TEAM MOVES

When you share a triumphant celebration with someone, ask them if you have earned their respect. If you have, take Influence over them and mark potential. If you have not, give them Influence over you and mark potential.

When you share a vulnerability or weakness with someone, ask them if they would defend you against those who mistrust you. If they say yes, clear a condition and shift Savior up and any other Label down. If they say no, mark a condition and shift Danger up and any other Label down.

/POTENTIAL

Every time you roll a miss on a move, mark potential.

/OTHER MOVES

You're the child—not an acolyte, not a creation, just the friggin' kid—of a true villain. And when anyone who knows looks at you, all they can see is your parent. Like you don't even matter. Well, forget that. You're out to prove yourself as someone different from them, and how better to do that than to be a superhero?

WHEN OUR TEAM FIRST CAME TOGETHER...

Someone important learned about my lineage and condemned us all. Who? Why?

RELATIONSHIPS

_____ is the only one who understands what I'm going through; I told them which part of me I wished was more like my parent.

My parent once fought and thrashed _____; I've got to find a way to make it up to them.

INFLUENCE

This team may be the key to proving you're different from your parent, but you don't want to be defined by your peers, either. Give Influence to 2 teammates.

SCION MOVES

(Choose two)

- I'll show them:** When you **defend someone** who doesn't believe in you, you can always take Influence over them, even on a miss.
- Changed sides:** When you mislead or trick an enemy by pretending to be on their side, roll + Danger. On a hit, they buy your charade for now. On a 7-9, choose 1. On a 10+, choose 2.
 - You avoid having to provide concrete evidence
 - You create an opportunity
 - You expose a weakness or flaw
- On a miss, someone else watching comes to the worst possible conclusion and acts on it.
- They don't deserve forgiveness:** When you accuse an enemy of being irredeemable, you can mark two conditions to take Influence over you away from them. When you **directly engage** someone who has no Influence over you, you can always choose 1 additional option, even on a miss.

RESPECT

Write down the names of at least two other characters whose respect you need to earn in order to differentiate yourself from your parent. You may fill in new names whenever appropriate.

- Your parent's greatest enemy: _____
Respect: Advancement:
- Your parent's greatest victim: _____
Respect: Advancement:
- Your personal idol: _____
Respect: Advancement:

When you seek out one of the characters named above, roll + Savior. On a hit, you track them down. On a 7-9, they're juggling their own problems, and may not have time for you. On a miss, when you find them, the situation is dire; the GM will tell you how.

If you earn Influence over the characters listed above, instead you mark 1 Respect. If you lose Influence over the characters listed above, you lose 1 Respect. If you lose 1 Respect and you have none marked, you immediately mark a condition, GM's choice.

The first time you reach 4 Respect on an individual, take an advancement.

While you have 4 Respect on an individual:

- You can reject their Influence at a +3 (does not stack with the above).
 - You take +1 to a Label of their choice (record it next to their name).
- If you dip below 4 Respect on an individual, you lose those benefits.

- Moldable:** When you **pierce the mask** of someone whose respect you crave, you can always ask "How could I gain Influence over you?", even on a miss. Take +1 ongoing to acting on the answer.
- All the best stuff:** You've compiled access to caches of equipment and weaponry other supers have hidden in the city. When you access a cache, say whose cache it is. If it's a hero's, roll + Savior. If it's a villain's, roll + Danger. On a hit, you find a tool or intel useful to your situation; the GM will detail. On a 7-9, you leave evidence that you've been here. On a miss, you tripped an alarm and they're coming; prepare to explain yourself.

- White lies:** When you **comfort or support** someone by telling them lies they want to hear, roll + Savior instead of + Mundane. On a hit, if they open up to you, take Influence over them.

- The city's greatest leader: _____
Respect: Advancement:
- The city's greatest hero: _____
Respect: Advancement:
- The city's biggest celebrity: _____
